Dear Parents of Seniors:

This year, as in the past, seniors will be allowed to leave campus after their last period class. When leaving early seniors must sign out with the guard, show their ID and go directly home. Seniors leaving early will not be permitted to return to school for the remainder of the day. A senior will be permitted this privilege only if they are in good standing with the School and have a signed parental permission form on file. Both students and parents should be aware that this is a privilege granted to seniors based on the expectation that they will behave in a mature and responsible fashion. If, for any reason, students are found to be behaving inappropriately, this privilege will be withdrawn.

Seniors are required to be in school for the start of assembly at 8:45 am failure to comply may lead to the loss of the senior privilege to leave early.

Sincerely,

Peter Green

Dean of Students
